Peace of mind with a dedicated network.

Our network specialises in HGV and van applications. Our experts are familiar with your area of business, your requirements and challenges, and are able to support you in finding the right service package to best suit your business.

The Renault Trucks Excellence Cover provides you with full cover and the most extensive repair and maintenance cover on offer. Delivering total peace of mind that your vehicle is being maintained to an outstanding condition, with genuine Renault Trucks parts. This means you, as the owner/operator, can relax in the knowledge that you will not receive any surprises when it comes to the cost of repairs.

With a pre-planned service schedule to suit your operation, your vehicle will always be ready when you need it, giving you maximum uptime. With all inspections and work carried out by a skilled Renault Trucks Technician, your electric vehicle will be maintained to a top condition throughout the cover period.

Repairs to the electric driveline, chassis and cab, including wear parts, are included within the cover, giving you full confidence that anything can be repaired and that your vehicle will be returned to you in full operating condition.

Administrative time is cut as costs and payment for the running and maintenance of your vehicles are simplified, thanks to our easy monthly payment system.
